Questions

TO: Members of the City of Sandy Springs Public Facilities Authority (“PFA”)

FROM: John McDonough, General Manager of the PFA, and City Manager of the City of Sandy Springs (“City”)

DATE: September 14, 2017 for submission on the September 19, 2017 PFA Meeting agenda

ITEM: RESOLUTION TO INCREASE THE GUARANTEED MAXIMUM PRICE FOR CONSTRUCTION OF THE CITY SPRINGS PROJECT, AS ESTABLISHED BY CHANGE ORDER #12 PURSUANT TO THE PROVISIONS OF A CERTAIN CONTRACT FOR CONSTRUCTION BETWEEN THE CITY OF SANDY SPRINGS, GA AND HOLDER CONSTRUCTION GROUP, LLC, DATED JUNE 30, 2015, AND TO AUTHORIZE THE GENERAL MANAGER TO EXECUTE THE CHANGE ORDER

Background and Discussion:

On June 16, 2015 at regular Council meeting, City Council adopted a resolution approving a certain Contract for Construction (“Contract”) between the City (subsequently assigned to the PFA) and Holder Construction Group, LLC (“Holder”) for constructing the City Springs project (“Project”).

Pursuant to the Contract, Holder agreed that the cost to the City of performing the work under the Contract, including the cost of the work described in the Contract, the general conditions costs, and Holder’s fee, shall not exceed the Guaranteed Maximum Price (“GMP”), as established by change order pursuant to the Contract. The Contract further provides that the establishment of the GMP shall be accomplished by written change order (“GMP Change Order”).

The Contract further provides that an adjustment to the GMP may be made as authorized by written change order. On February 16, 2016, Council approved a GMP value of \$180,057,353.00 for the Project. The GMP value was established by a GMP Change Order dated February 16, 2016, in accordance with Contract provisions.

On August 16, 2016, Council again approved an increase to the GMP by Change Order #5, resulting in a GMP value of \$188,956,290.00 for the Project. The increase was requested due to: transfers from the City held budgets for equipment, design evolution/completion, differing site conditions, and scope changes.

In October of 2016, Change Order #6 was executed by the City. Change Order #6 granted a time extension of forty-two (42) days; however, there was no increase to the GMP value.

The Contract was assigned by the City to the PFA in June of 2016, and on March 21, 2017, the PFA approved the actions taken by the City in Change Orders #5 and #6.

On March 7, 2017, the PFA approved Change Order #7 which increased the GMP value by the amount of \$2,854,088.00, for a new GMP value of \$191,810,378.00, and granted a time extension for fifty-six (56) calendar days. The overall budget for the Project was not increased by Change Order #7.

On May 2, 2017, the PFA approved Change Order #8 pursuant to the terms of the Contract, which increased the GMP by \$875,315.00, for a new GMP value of \$192,685,693.00.

On June 6, 2017, the PFA approved Change Order #9 which increased the GMP by \$19,921.00, for a new GMP value of \$192,705,614.00.

On July 18, 2017, the PFA approved Change Order #10 which decreased the GMP by \$352,722.00, for a new GMP value of \$192,352,892.00.

On August 15, 2017, the PFA approved Change Order #11 which increased the GMP by \$273,195.00, for a new GMP value of \$192,626,087.00.

Holder has now requested approval of Change Order #12 pursuant to the terms of the Contract, which will increase the GMP by \$946,031.00, for a new GMP value of \$193,572,118.00. This GMP value increase is for: electrical/audio-visual/data clarifications and coordination with infrastructure; lighting in studio theater; lighting controls; ceiling clarifications; park WiFi wireless application protocol locations; office tower kitchen wall and ceiling finish; gallery and conference level life safety coordination; fire alarm and fire alarm sprinkler clarifications; and ADA push buttons and ID door schedule.

While the GMP is increased by Change Order #12, the overall budget for the Project is not increased, and there is no adjustment to construction duration at this time; however, Holder reserves its claims for adjustment to the Contract time and related adjustment to its General Conditions cost.

When Change Order #12 is executed, the increase to the GMP will effectively be added to the Contract. A copy of Change Order #12 is attached to the Resolution.

Recommendation:

Project consultants and the General Manager recommend that the PFA approve an increase to the GMP value of \$946,031.00, for a new GMP value of \$193,572,118.00, and further recommend that the PFA authorize the General Manager to execute Change Order #12.

Alternative:

Reject the recommendation and provide further instruction to the General Manager and consultants.

WHEREAS, on August 15, 2017, the PFA approved Change Order #11 which increased the GMP by \$273,195.00, for a new GMP value of \$192,626,087.00; and

WHEREAS, Holder has now requested approval of Change Order #12 pursuant to the terms of the Contract, which will increase the GMP by \$946,031.00, for a new GMP value of \$193,572,118.00; and

WHEREAS, such GMP value increase is for: electrical/audio-visual/data clarifications and coordination with infrastructure; lighting in studio theater; lighting controls; ceiling clarifications; park WiFi wireless application protocol locations; office tower kitchen wall and ceiling finish; gallery and conference level life safety coordination; fire alarm and fire alarm sprinkler clarifications; and ADA push buttons and ID door schedule; and

WHEREAS, Change Order #12 will not increase the overall budget for the Project and will not adjust the construction duration at this time; however, Holder reserves its claims for adjustment to the Contract time and related adjustment to its General Conditions cost; and

WHEREAS, Change Order #12, when executed, will effectively be added to the Contract; and

WHEREAS, Project consultants and the General Manager recommend that the PFA approve an increase in the GMP value, as described in the attached Change Order #12; and

WHEREAS, Project consultants and the General Manager further recommend that the PFA authorize the General Manager, to execute the attached Change Order #12; and

WHEREAS, the PFA desires to approve Change Order #12, as recommended, and to authorize the General Manager to execute Change Order #12.

NOW, THEREFORE, BE IT RESOLVED by the City of Sandy Springs Public Facilities Authority, as follows:

1. An increase to the GMP of \$946,031.00 for a total GMP of \$193,572,118.00, is hereby approved; and
