**I. Sandy Springs Citizens' Leadership Academy Graduation**

**Mayor Rusty Paul** called the meeting to order at 6:00 p.m.

Over the last few months, a group of citizens went through the Sandy Springs Citizens' Leadership Academy. This is a new program by the City to get citizens more engaged with what is going on in this building and around the City with the various departments and, provides an in-depth review of how the City operates. This is our inaugural graduating class, and everyone received a diploma. Thank you for taking the time to learn more about the City of Sandy Springs community you reside in and for your willingness to be engaged and take on new roles going forward. Congratulations to the graduates.
